SIR:

Transmitted herewith is a Request for a Certificate of Correction for above-identified U.S. Patent. Patentee respectfully requests the approval of the attached Certificate of Correction which will bring the above-identified patent into conformity with the patent as the Examiner and Patentee intended that the patent would issue. Upon reviewing the Letter's patent, patentee noted the following typographical error with regard to the claims.

AUG 15 2005

Docket No.: HERTINGER
Patent No.: 6,901,309
Issued: May 31, 2005

Claim7, first line: after "generating" insert -a--;

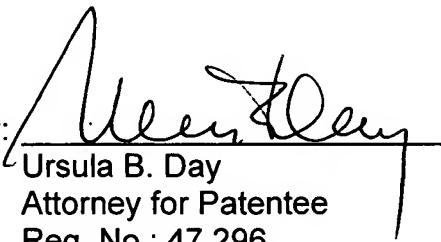

line 10: change "or" to -of--;

bridging lines 13 and 14: change "dismaying" to -displaying--.

A review of the file wrapper confirms that the errors were made in the printing of the patent since the recorded assignment as well as the PTO-form PTOL-85b correctly indicate the name of Assignee.

Since these errors for which a Certificate of Correction is sought are the result of a Patent and Trademark Office mistake, no fee is due (35 U.S.C. §254).

Respectfully submitted,

By:
